

## Unit 356 Board Candidates Statements

**Hurd Baruch** - In 2012, I incorporated Tucson Charity Bridge Club and have served as an officer and corporate director ever since. As Secretary-Treasurer I make all the IRS and corporate filings, and I am a certified game director and sometimes instructor, playing at the bronze life master level.

**Jared Boulds** – I began playing bridge nearly 15 years ago and it instantly became my passion. Since moving to Tucson, I have served as a director and club manager. As I move into the workforce, I am honored to have a chance to serve on the Unit 356 Board of Directors.

**Suzanne Greenwood** – I have served on the board of Unit 356 for the past three years in the appointed position of Intermediate/Newcomer Representative. I would love the opportunity to continue with the board in the upcoming year as a regular board member.

**Bonnie Hertzog** – I have been a member of the Tucson bridge community since May 2016. Currently a Ruby Life Master, I've played and directed since the 1980's. My passion is encouraging newer players and developing a community atmosphere for all players. Our Virtual Club reality is the next big challenge for us all.

**Carolyn Reynolds** – I've been a bridge player for over forty years and have played at the Adobe most of that time. I like the game and love my fellow players. I have served as a club and Unit officer, worked as the Treasurer and helped with setups and food service for the tournaments

**Steve Reynolds** - As tournament chair for the last 10 years I have won the right for Tucson to have a regional every year. Along with my team of volunteers I would like to continue to serve the unit by continuing to produce the best, most profitable tournaments possible.

**Nora Tkacz** - I grew up in Chicago, moved to NY, CA, NY and then CT where I spent most of my adult life until I moved to Green Valley. I owned a Hallmark store. I began teaching bridge through a number of different venues including private lessons, lessons at senior centers and also through adult education classes. I would like to help the unit with its educational needs. I am a Diamond Life Master.
